

The I Want the Kit (IWTK) Program offers free, accurate, and confidential specimen self-collection and CLIA certified lab-based testing for sexually transmitted infections. Pregnancy self-tests are also available for those assigned female at birth. These services are currently available for residents of Alaska, Arizona, Idaho, Iowa, Kansas, Montana, Nebraska, Nevada, New Mexico, North Dakota, Oklahoma, Oregon, South Dakota, Utah, Washington, and Wyoming.

Process

Linkage to care for positive cases is currently provided by the Southern Plains Tribal Health Board, Northwest Portland Area Indian Health Board, Alaska Native Tribal Health Consortium, Navajo Nation/IHS Area, Billings IHS Area, and the Great Plains Tribal Leaders' Health Board in their areas for the IWTK program.
